24th March 2021

Sub: Result Declaration for the Academic Year 2020-2021

Dear Parents,

On behalf of the staff at The Navyandhra School, I am happy to welcome you to the 2021-2022 school year! The year 2020-2021 has been challenging for every one owing to the pandemic and, particularly for the school fraternity. We applaud the parents for their support to the teachers in making children our priority. We are equally proud of our teachers to take on the ownership of '**Online Teaching**' and making it a success. Transition to the digital platform was a challenge but over time got managed and, we not only had a successful session with your continued support but also ended up with celebrations of important days during the year. A regular feedback on your ward was also provided either through our online PTM's or during interaction with parents at the school.

Once again, we are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. We recognize that in order to be successful in school, our children need support from both the home and school. You would agree that a strong partnership with you will make a great difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

As we near the close of the academic session 2021-2022, kindly note the following dates:-
